SINCE 1912

CORPORATE TAILORING OVERVIEW 2023/24

FOR EVERYBODY, EVERY BUSINESS, EVERYWHERE

WE BELIEVE IN WORKING, TOGETHER.

CONFIDENT TOGETHER

Trusted as people, valued as suppliers.

What does that mean for you? It means we speak your language, are easy to work with and hold trust at the heart of our relationships. As we operate on a strict B2B basis, our collections are available exclusively via a network of corporate clothing specialists.

PERFORMING TOGETHER

If you look good, we look good.

Performance starts with a good quality fabric. As seasoned tailors, we know what combinations work and, maybe more crucially, which don't. Our extensive range of garment fits, styles, colours and fabric finishes are designed to meet the most demanding of applications. Our investment in stock and variety is your guarantee to a successful uniform rollout.

PROGRESSING TOGETHER

We have been building partnerships with our customers for more than 111 years.

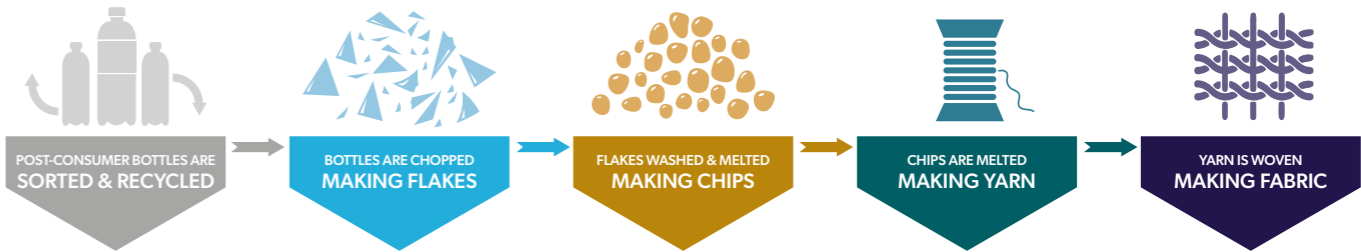

We don't stand still at Brook Taverner, we are progressive in business. We invest to keep our ranges current and work hard to preserve longevity of styles. If we keep ahead, then you keep ahead.

RESPONSIBLE TOGETHER

We are committed to running a responsible, environmentally respectful and sustainable business, and we will endeavour to continuously improve our environmental performance where possible.

RECYCLED POLYESTER - THE SMARTER CHOICE SUSTAINABILITY AT HEART AND THE FUTURE IN MIND.

A SIMPLE CHANGE, A MAJOR IMPACT - **OVER 12 MILLION BOTTLES** SAVED SO FAR

DAY IN, DAY OUT

We are committed to running a sustainable business on every level and we will endeavour to continuously improve our environmental performance where possible.

Recent achievements at our head office include:

WORLD-LEADING BRAND, WORLD SAVING ETHOS.

At Brook Taverner, sustainability is how we do business. We take responsibility for our people, our processes and our planet. Our mission is to help shape a better future.

We are committed to developing and implementing new processes to reduce the environmental impact of our clothing and operations, and we are continually searching for new ways to improve our efficiency even further.

SUSTAINABILITY – WOVEN INTO ALL WE DO

From recycled polyester and sustainable wool to natural cotton, all of our fabrics are respectfully sourced and tested for harmful substances before being carefully made into beautiful garments by some of the finest mills in the world. The result? High-quality, responsible corporate clothing that's built to last.
